## Italian Revival ...

### 100% ITALIAN

#### INTERCOSMO, BOLOGNA, ITALY:

A WORLD LEADER IN HAIR FASHION PRESENTS ITALIAN REVIVAL, A SEASONAL COLLECTION IN CUTTING & COLORING TECHNIQUES TO ENHANCE YOUR ARTISTRY WITH THE LATEST TRENDS.

Discover the true essence of Italian Creativity in this hands-on and interactive session conducted by an Intercosmo Technical Leader.

The Voilà 2009 Spring Collection brings fifty years of Italian history back onto the catwalk and it does it with contemporary spirit and awareness of today's lifestyle. On the catwalk, we see baroque, a refined Italian style. This is innovation vs. tradition. This season's collection captures a new language with color and shape. This is Voila's vision for Spring... nostalgia for today's woman.
